## **JCS/D&CB INFORMATION AND STYLE SHEET**

### **Focus and Scope**

The primary objective of the Journal of Consumer Satisfaction, Dissatisfaction and Complaining Behavior, and our biennial conference, is to publish and disseminate cutting-edge research related to Consumer Outcomes such as satisfaction, loyalty, and word-of-mouth. We invite research that examines constructs that serve as antecedents and/or consequences of satisfying experiences. The journal seeks to promote theory development in these areas via reporting quantitative and/or qualitative inquiries, as well as conceptual studies within relevant business disciplines.

### **Peer Review Process**

All of the JCSDCB's content is subjected to peer review. Reviewers have no conflict of interest. Reviewed articles will be treated confidentially.

*Review Procedure:* Reviewers are used in a double-blind review process. Upon return of the reviews, the accept/reject/revise decision is made by the editor and the contact author is notified. Reviewers' comments are provided to the author(s).

*Double Publication:* To protect JCSDCB, any and each author who allows a manuscript to be published in JCSDCB guarantees that the paper accepted for publication in JCSDCB is not copyrighted elsewhere or that all copyright clearances have been obtained and delivered to JCSDCB and also guarantees to pay any and all damages and legal expenses resulting from any copyright problem existing at the time of publication in JCSDCB. As the authors are the only ones who have full knowledge in this matter they are the ones who bear full responsibility and liability for full disclosure to JCSDCB.

*Timing of Submission:* Papers can be submitted at any time and will be reviewed and accepted/rejected in as timely a fashion as possible. The goal of the journal is to provide reviews within 60 days of submission. Manuscripts submitted to a special issue will be reviewed after the close date for submissions; they will not be reviewed on a rolling basis unless stated otherwise. Manuscripts should be submitted to:
