JCS/D&CB INFORMATION AND STYLE SHEET

Focus and Scope

The primary objective of the Journal of Consumer Satisfaction, Dissatisfaction and Complaining Behavior, and our biennial conference, is to publish and disseminate cutting-edge research related to Consumer Outcomes such as satisfaction, loyalty, and word-of-mouth. We invite research that examines constructs that serve as antecedents and/or consequences of satisfying experiences. The journal seeks to promote theory development in these areas via reporting quantitative and/or qualitative inquiries, as well as conceptual studies within relevant business disciplines.

Peer Review Process

All of the JCS/DC&B content is subjected to peer review. Reviewers have no conflict of interest. Reviewed articles will be treated confidentially.

Review Procedure: Reviewers are used in a double-blind review process. Upon return of the reviews, the accept/reject/revise decision is made by the editor and the contact author is notified. Reviewers' comments are provided to the author(s).

Double Publication: To protect JCS/DC&B, any and each author who allows a manuscript to be published in JCS/DC&B guarantees that the paper accepted for publication in JCS/DC&B is not copyrighted elsewhere or that all copyright clearances have been obtained and delivered to JCS/DC&B and also guarantees to pay any and all damages and legal expenses resulting from any copyright problem existing at the time of publication in JCS/DC&B. As the authors are the only ones who have full knowledge in this matter they are the ones who bear full responsibility and liability for full disclosure to JCS/DC&B.

Timing of Submission: Papers can be submitted at any time and will be reviewed and accepted/rejected in as timely a fashion as possible. The goal of the journal is to provide reviews within 60 days of submission. Manuscripts submitted to a special issue will be reviewed after the close date for submissions; they will not be reviewed on a rolling basis unless stated otherwise. Manuscripts should be submitted to:
